7 Start blogging for business or get left behind
by Wendy Pike
Blogging has come a long way since its humble beginnings as a web diary or web log. What started out as a creative outlet for writers has morphed into a powerful marketing tool that can help you engage with customers and share relevant information.

10 Getting Creative with CorelDRAW®
Converting bitmap artwork to vectors
by Foster D. Coburn III
Everyone wants to just push a button and get a perfect conversion. The reality is that it just isn’t going to happen that way. For most bitmaps, the best method is to re-draw from scratch.

15 Stamp Shop Web™ How to use Customer Chat™
Part 4
by Amanda Katon
The Customer Chat™ system offers numerous settings for complete customization control of the program’s functionality. Each company will have different preferences, based on how they envision the system working for their operations. With that in mind, the vigorous options allow you to do just that. Let’s continue our exploration of the Chat tab and its settings.
